Cheryl Kraft informed players of changes to the 9 Ball division to accommodate having less players this season. The division will be allowed to use any player in the division as a sub for the night if they are not playing that night with their team. Captains are to notify Cheryl prior to the match when possible so the player can be added to the computer system. Teams should decide ahead of time how they will manage money paid in dues and collected in prize money so that

subs are aware ahead of time. Subs must be approved by Cheryl if needed in the last two weeks of the season and a sub of s similar rating will be used.

The 8 Ball division will have a posted sub list. These players can be used when needed. Postponements will not be allowed when three players are available. Use of the double up rule and one sub can be used to field a complete team. The available sub list will be posted with the By-Laws.

**Member issues:**

No issues reported.

Motion to close the meeting made by Beth Weddle at 11:10 am and seconded by Ginny Young.

Respectfully Submitted,

Cheryl Kraft - President
